Invitation to Sponsor or Exhibit at the 2022 GSACP Government Services Symposium April 8th – 10th, 2022 Lake Buena Vista Resort - Orlando, Florida

Government Services Chapter ACEP (GSACEP) was established in 1977 for emergency physicians who are employees of the federal government as Active-Duty military, reservists, VHA, or physicians working in other federal agencies. The Government Services Symposium is the premiere meeting for these emergency physicians. We presently have over 2000 resident, medical student & attending level members.

Your product will be seen by a national audience of physician leaders who participate in purchasing decisions. Our members work in a variety of settings, across the country and across the globe. We partner with exhibitors who provide devices, services or other healthcare related commodities that are interested or a part of the military & VA markets.
